Read what one blogger has to say about Langkawi as a romantic destination:

Langkawi conjures up romantic images of tropical days under swaying coconut palms by the Andaman Sea. Malaysia's best-known holiday destination is part of an archipelago of 99 islands and renowned for its natural beauty.

One of the romantic ways to enjoy the many uninhabited islands up close is to charter a private cruise that takes both of you to secluded beaches for some quiet swimming time and alfresco dining by the beach. Sailing yacht cruises and charters by Crystal Yacht Holidays provide an ideal way to enjoy a glorious Langkawi sunset over cocktails with loved ones. As an official UNESCO World Geopark location, Langkawi also houses a diverse range of flora and fauna. Pulau Payar Marine Park offers excellent diving, rich in marine life and artificial and natural reefs.

With a setting of steamy hills, picturesque paddy-fields, sandy beaches, it's easy to see why Langkawi is a popular destination for romance. Four Seasons Resort offers romantic luxury and wedding settings with 91 pavilions and villas cocooned within landscaped greenery and sensational views of sunset off the coast of Tanjong Rhu.
