

KL City Buses offer several types of service in the city and the suburbs from 6:00 AM to 12 midnight. The frequency of these buses depends on the destination. Feeder buses run from Lot 10 on Jalan Sultan Ismail to Hentian Dua (the Airport Bus Terminal) on Jalan Duta. The trip takes around 30 minutes depending on traffic and the frequency is every 20 minutes. From Hentian Dua, there's an hourly bus to KLIA (the duration of the journey is approximately 1 hour 45 minutes), with combined fares ranging from RM 18 to RM 25. Public buses and interstate air-conditioned buses travel between most cities and towns in Malaysia. They are comfortable and the fares are reasonable.
