

Located at Pantai Tengah, Langkawi's Underwater World has more than 5,000 types of aquatic life. It is the country's biggest oceanarium and has over 100 tanks of both marine and freshwater creatures. A popular attraction among families, Underwater World offers a most educational and exciting experience to both children and adults.

Getting there: *Situated close to the junction of Pantai Cenang and Pantai Tengah, it is a 10 minute drive south of the Langkawi International Airport. Taxis are easily available*
