

There are three main markets in Kota Bharu:

Siti Khadijah Market

A paradise for browsing and shopping, this market offers a myriad of local handicraft including batik, leather goods, clothing and household items. Siti Khadijah Market is named after Prophet Muhammad's entrepreneurial wife; a fitting name for a market mostly run by women.

Bamboo Fort Bazaar

This three-story shopping complex offers a wide range of souvenirs, silverware, clothing and handicrafts.

Night Food Market

Nothing short of a gourmet's paradise, the place comes alive every night with hundreds of food stalls selling local delicacies.

Getting there: *Located in the center of Kota Bahru, which is easily accessible by taxis and buses.*
